LIGHTS INSPIRED BY
VISION

Designed, Developed and Manufactured in India

Founder's Note

Chetan Trivedi

Chetan brings nearly 3 decades of experience in the lighting industry, having worked with leading names like Philips, Osram and GE. An entrepreneur at heart, he has launched and scaled multiple lighting brands, always focused on bridging gaps in the market.

With LIV, his vision is clear: to deliver high-quality, reliable, and well-engineered lighting that meets the real needs of the Indian market - offering performance, longevity, and value in every product..

Technical Lighting, with a vision.

LIV was founded with a clear purpose: to offer lighting that you can count on - every single time. In a market often marked by unreliable supply and inconsistent standards, LIV stands apart with products that deliver what they promise.

We're a brand that values quality, and believe it should be affordable and accessible for all kinds of spaces.

We design lighting systems that fuse technology with refined aesthetics to optimise visual comfort, task accuracy, and spatial efficiency. With our luminaires being manufactured locally, we have complete control over the manufacturing process. This guarantees consistent quality across all our designs, now and even a decade from today.

Color Temperatures

3000K 4000K TW

Electrical Specification

Input AC Voltage (V)	ACC200-220V
Frequency (Hz)	50 Hz
Driver operating Voltage	200mA 36V DC
Power Factor	>0.95
Current THD	<10%
Driver Efficiency	>85%
Inbuilt Surge Protection	3KV

Optical Parameters

Primary	Lens optics
Secondary Reflector	Plastic - Chrome(CHS)/Gold(GS)/Nickel(NIS)
Beam Angle	27°/36°/49°
UGR	<18
Beam Direction	Fixed

Product Material

Pressure Die Cast Heat Sink & Aluminum Front Ring

LED Parameters

CRI	>90
Binning	3 Step MacAdam
LED Lifetime	>50000hrs
Lumen output (for 27°)	1192LM@3000K, 1252LM@4000K
LED Chip	COB 36Vdc/250mA
LED Wattage	8.8W
System Wattage	10.1W

Platforms/Protocols supported

Ordering Code

	Body Finish	CCT	Beam Angle	Sec. Reflector
CSM - 10W -	BL	3000K	27°	CHS
